Summary

Content

You will find in this document the following information;

1. Obtaining a duties and taxes exemption.
2. Customs clearance of aid consignments.

In particular, it highlights any international conventions and regional/national memberships to which Bangladesh is a member.

It also covers the national legislation surrounding the importation of humanitarian aid, the application process and document equirements to obtain a duties and taxes exemption of food imports, contact details of relevant ministries, prohibited items and general restrictions, the transit procedure and entry point information including warehousing.
