## Content

- Jamame airstrip is now usable with special permission.
- Power struggle over the main ports, Mogadishu and Kismayo, continues.
- Kenya/Somalia border crossings remain closed.
- While the number of checkpoints on the Mogadishu-Baidoa road has diminished, checkpoints elsewhere reportedly continue to increase.
- Yesterday, a humanitarian convoy was stopped by militia at Haway on the road from Merka to Buale (some 170km short of Buale). Negotiations over passage fees continue today. There is no checkpoint reported at Haway and the convoy seems to have been stopped randomly. Haway is in a power-vacuum area.
