1. Brief update on TC OMA.	<p>Update from Jimmy Naura</p> <p>Tropical Cyclone OMA:</p> <ul style="list-style-type: none">🚧 Still outside Santo. Flooding in Santo, West Coast and have caused some food crop damage in Torba. Santo has experienced flooding in low area and river banks.🚧 NDMO is planning an aerial surveillance for Torba, Sanma, Penama and Malampa once weather is clear.🚧 Four provincial emergency operation centres are now being activated. It is important for reps from each NGO or cluster to work closely with PEOC. Malampa and Penama EOC ongoing. <p>Ambae Update:</p> <ul style="list-style-type: none">🚧 There are people in Ambae, Maewo and Santo that still need support from each cluster. NGOs and government will continue support with food rations

	<p>Ambrym Update:</p> <ul style="list-style-type: none"> ✚ Police evacuate people, especially evacuees in host villages (Asse in Endu) and (Paamal in Ulei), to safe shelter. ✚ Foods still in storage. <p>Update from Country Director, Save the Children.</p> <ul style="list-style-type: none"> ✚ Teams to collect photos from the affected areas in Santo and share with everyone and also report to EOC. <p>Action: Food is ready to be shipped but wait for the sea to calm.</p>
<p>2. NFI'S.</p>	<ul style="list-style-type: none"> ✚ Red Cross has storage throughout every province. ✚ World Vision has storage in Sanma, Tafea and Shefa. ✚ Other NGOs including NDMO has storage only in Port Vila. <p>Actions: Logistics team to work together so that there'll be no duplication of NFI distribution.</p>
<p>3. Logistics Support Assistance.</p>	<ul style="list-style-type: none"> ✚ VMF and VPF are on ground to assist. ✚ Work together with other logistic officer on ground. <p>Action:</p> <ul style="list-style-type: none"> - NDMO to get approval first from the partners before engaging their officers on ground with logistics tasks. - Cluster with availability of storage should let other members aware of it if they want to store some of their NFIs.
<p>4. AOB.</p>	<ul style="list-style-type: none"> ✚ Refresher for logistics training on capacity building ✚ JPOC are on standby, they just need evacuation centres list around Efate to evacuate people if the cyclone is getting worsen. ✚ VCC has evacuation centre available, and another one still in process for completion.
