Chair: Logistics Cluster Coordinator

Participants: WHO, WFP, UNHAB, Oxfam GB, FRDP, PU – AMI, Handicap International, Plan International, IOM.

Action Point: Final Cargo Movement Requests (CMRs) to be requested from the users

Agenda:

1. Introduction
2. Update on operations
3. AOB

Introduction

- The chair welcomed everyone to the Logistics Cluster Meeting, held in Hyderabad for the 2011 Flood response, and all the participants introduced themselves.
- The roles and responsibilities of the Logistics Cluster were explained.

Update on operations

- The Logistics Cluster will no longer accept new Temporary Storage Requests (TSRs) from 11 February 2012; however, TSRs that have already been opened will be processed until 15 February 2012.
- The Logistics Cluster will dispatch all the Non-Food Items (NFIs) currently stored in warehouses by 26 February 2012. The users are therefore requested to submit the Cargo Movement Requests (CMRs) for the above dispatch as soon as possible, enabling the Logistics Cluster to plan accordingly.
- The provision of transport, however, will remain active until 28 February 2012.

AOB

- The Logistics Cluster is providing GIS/Mapping support to the humanitarian community. To date, over 60 maps have been prepared and regularly updated for use by humanitarian actors. These maps are available at: <http://www.logcluster.org/ops/pak09a>
- The Logistics Cluster, with information provided, can prepare maps for other humanitarian actors on request.
