Introduction

- The chair welcomed everyone to the Logistics Cluster Meeting held in Hyderabad for the 2011 Flood response, and all the participants introduced themselves.
- The roles and responsibilities of the Logistics Cluster were explained.

Update on Operations

- Provision of temporary storage space at Nawabshah, Thatta, and Badin will cease by the end of 2011.
- Provision of temporary storage space for use by the humanitarian community at seven other locations (Hyderabad, Karachi, Sukkur, Mithi, Mirpurkhas, Sanghar, and Umakot) will be subject to availability of space. Request forms for accessing common storage facilities are available at: <http://www.logcluster.org/ops/pak09a/temporary-storage-request>
- More storage facilities could be closed by the end of January 2011 if no need is observed.
- The Logistics Cluster can provide road transport for interagency humanitarian cargo in response to requests. Request will be evaluated on a case-by-case basis.
- Humanitarian actors on ground were requested to share their pipeline information.

AOB

- The Logistics Cluster is providing GIS/Mapping support to humanitarian community. To date 21 maps have been prepared and updated for use by humanitarian actors and can be viewed on the Logistics Cluster website at: <http://www.logcluster.org/ops/pak09a/docs?doctype=Maps%20%26%20Geograph..>
The Logistics Cluster can prepare maps for other humanitarian actors on request, with information provided.
