The aim of Inter Agency Logistics storage and transport arrangements is to support all humanitarian actors, including INGO's, NGO's, UN agencies and the Government of Sri Lanka (GoSL), active in Sri Lanka in order to avoid duplication and to improve the effectiveness of humanitarian intervention. World Food Programme (WFP) is managing storage and transport assets, liaising with government and military forces and providing a coordination platform. The Vavuniya Inter Agency Logistics hub is one of the facilities provided.

Location
The Vavuniya hub is located alongside the A9 just south of Vavuniya town.

Storage space
The hub hosts 8 mobile Storage Units (MSUs) with a total of 1,920 m² storage space. A 9th MSU has been set up in the compound for use of UNICEF. A permanent structure, formerly a garment factory, has a total of 2,265 m² storage space. Additional space (1,570 m²) is available at the Paddy Marketing Board storage site located on the road to Mannar. This site is primarily used for Non Food Items. Major users are IOM, UNICEF, HI, NRC, DRC, and SCF.

Use of the Vavuniya hub
The Vavuniya hub serves as a staging area for operations into the Northern areas of Sri Lanka. From here, dispatches are made to Mannar, Mullaitivu, Kilinochchi and Jaffna districts as well as to the main IDP camp at Manik Farm. The 30 truck strong UN flagged fleet is based in the Vavuniya hub. A variety of humanitarian agencies makes use of the storage space.

Opening hours
The hub is opened Monday to Saturday from 08:30 to 17:00.

Storage and Transport requests
Agencies wanting to use the site for storage are requested to complete the Storage Request Form posted on the Logistics Cluster website (www.logcluster.org/lk08a). Transport can be requested via the Transport Request Form. Transport is carried out with the UN-flagged WFP trucks, or commercially hired transport when necessary.
