The Logistics Cluster is a community of partners actively working to overcome logistics constraints, develop and share best practices and solutions.

Globally the Logistics Cluster, led by WFP, is steered by the partners through biannual Logistics Cluster Global Meetings.

The Global Strategic Advisory Group (SAG) was created to improve decision making and foster shared ownership of the cluster.

**OBJECTIVES**

- **Provide** strategic support and guidance
- **Facilitate** accountability to its partners
- **Drive** the implementation of the strategy
- **Define** and contribute to strategic partnerships possibilities
- **Advocate** for adequate resources to implement the cluster mandate
