2. AOB

Situation Update

Shipping

- Organisations can contact the Logistics Cluster for information on customs processes and port requirements in case they are expecting a shipment.

Airport

- Organisations can contact the Logistics Cluster for information on customs processes and cargo receiving at the airport.

Road Transport

- The Logistics Cluster has collected contacts of local commercial transporters. For details please contact the Logistics Cluster.

Warehousing

- The Logistics Cluster will discontinue its storage service by the end of February 2014. Partners are supported through constant assessments of existing commercial warehouse alternatives to identify more long term storage facilities.
- The Logistics Cluster, within its mandate will continue to support all partners where there are gaps and constraints.

AOB

- The Logistics Cluster Coordinator introduced the new Logistics Cluster focal point in Roxas Mr Marc Vachon, to partners and requested partners to extend their usual cooperation to him.
- UNDP, UNFPA and IOM confirmed that they have identified a warehouse and all their stock will be moving out from warehouse by the end of February 2014. If there will be leftovers, the new focal person will be advised in due time so that necessary measures are taken.
- The next Logistics Cluster meeting will be conducted at WFP Office, NFA Warehouse on Friday 28 February 2014 at 10:00am. This will most likely be the last meeting.
