1. Briefing on The Logistics Cluster response

- Cargo Air Movement services have officially ceased.
- Road assessments confirm the road to the east bank is fully open to Osiyana.
- The route to Mbwazi was accessible by trucks as of Monday 23 March.
- The road from the east bank to Makhanga “Island” is still not passable for all terrain vehicles. However, Makhanga is accessible by foot and canoe.
- Airboat operations are to begin shortly between Bangula and Makhanga “Island” replacing Cargo Air Movements.
- Requests for boat services to be channelled via a Service Request Form, available at http://logcluster.org/ops/mwi15a and to be sent to Malawi.cargo@logcluster.org
- UNICEF confirms that, together with District Health Office (DHO) they are moving kerosene and kerosene fridges to Makhanga “Island” by canoe. This is to prepare for cold chain handling of vaccines for immunization campaign this week, and the upcoming cholera vaccination next week.

2. A.O.B.

- OCHA and DoDMA excused themselves from participating due to a new Cholera response meeting conflicting with the Logistics Cluster meeting.
- Participants agreed on changing the timing of the meeting. The Logistics Cluster will liaise with OCHA/DoDMA on the weekly schedule for all cluster meetings in Nsanje to find best timing. The time of next week’s meeting will be communicated accordingly.
