## 1. Access

---

- As accessibility is evolving quickly, the delivery modalities are adapting to ensure the maximum efficiency of the response. The Logistics Cluster will advise on the most efficient means of transportation based on locations and priorities.
- The priority sectors defined by the Operational and Strategic Team led by the Government are Food, Health, WASH and Shelter.
- Six Forward Operation Bases (FOB) will be set up in specific locations (Nhamatanda, Buzi city, Buzi north and other locations identified based on needs) to facilitate the coordination on the ground.
- Access:
  - Guara-Guara-Buzi is now accessible by road only for light vehicles.
  - Buzi south remains difficult to access.
  - The ferry crossing Guara-Guara to N280 is out of service, assessments are planned to evaluate the work required for rehabilitation. The river is passable on pirogue.
  - Partners are strongly encouraged to share all access constraints their field teams can collect to ensure that the [Access Constraint Map](#) is as accurate as possible. Real time information is critical for the precision of the information.

## 2. Air Transport

---

- The Logistics Cluster continues to facilitate the civilian-military consolidation of humanitarian cargo from Maputo to Beira with a C-130 aircraft.
- The Logistics Cluster continues to support with offloading of incoming cargo at Beira airport. Organisations are requested to share their movements request ahead of time and to submit a [Service Request Form](#).

## 3. Storage

---

- One Mobile Storage Unit has been set up in Namathanda, and loaned to Concern Worldwide for common use.
- The Logistics Cluster has storage capacities available in Chimoio and Beira (airport and city).

## 4. Customs

---

- The final approval from the Government concerning the blanket waiver is pending approval.
- Organisations are reminded to strictly comply with the custom clearance requirements prior receiving cargo.

**The next Logistics Cluster coordination meeting will be 8 April at 17:30 at the Emergency Operations Centre (EOC) at the airport.**

**From now on Logistics Clusters coordination meeting will be held every Monday and Thursday at the EOC at 17:30.**
