1. Road Access and Constraints

- There is commercial road transport available in Beira. Partners are requested to advise the Logistics Cluster if they have any available space that could be utilised by another partner.
- There is a truck planned to depart for Pemba on Thursday 23 May. Partners interested in sending cargo on the truck should submit an SRF to mozambique.clustercargo@wfp.org. Partners are reminded to share their SRF 24 hours prior, to facilitate the compilation of requests and organise road transport accordingly.
- The road to Macorococho is fully accessible.
- Partners are encouraged to share road access information with the Logistics Cluster.

2. Common Services Updates

Air Operations

- There is one Mi8 helicopter available until the 23 May as road access is improving. The Logistics Cluster will no longer facilitate access to air transport from Beira to other locations from this date. Consequently, no further Service Request Forms (SRFs) for air transport will be considered.

Storage

- The Logistics Cluster common storage space at Beira Airport will be dismantled following the end of air operations on 23 May.
- The Logistics Cluster warehouse in Mafuia has availability for the storage of partners goods. Interested organisations should submit SRFs to mozambique.clustercargo@wfp.org.
