<b>PARTICIPANTS</b>	MSF, Save the Children, Swiss Humanitarian Aid, UNDAC, UNICEF, WFP.
<b>ACTION POINTS</b>	<ul style="list-style-type: none"><li>• Common storage warehouse capacity in Chimoio is becoming more limited. The Logistics Cluster is strongly encouraging partners to share their plans and pipelines in advance.</li><li>• Organisations to submit <a href="#">Service Request Forms</a> for storage service at the Logistics Cluster warehouse and inform 24h before cargo arrival.</li><li>• Organization to submit the <a href="#">Release Order Forms</a> prior to dispatch from the warehouse.</li><li>• Partners to ensure that cargo stored in the warehouse is prioritized for distributions to avoid long storage periods.</li></ul>
<b>AGENDA</b>	<ol style="list-style-type: none"><li>1. Common Services</li><li>2. Partners Updates and Constraints</li></ol>

## 1. Common Services

---

### Storage

- The common storage warehouse in Chimoio is operational for all organisation but the capacity is becoming more limited. The Logistics Cluster is strongly encouraging partners to share their plans and pipelines in advance.
- Organisations to submit [Service Request Forms](#) for common storage service at the Logistics Cluster warehouse and inform 24h before arrival of the cargo.

### Road transport/access

- The Lucita river bridge (Dombe – Espungabera) has been repaired and is now accessible.
- Local commercial transport companies are providing transport services to most locations surrounding Chimoio.
- The road from Chimoio to Dombe is accessible for light vehicle.

---

## 2. Partners Updates and Constraints

---

- MSF has established 250 m<sup>2</sup> storage warehouse at Nhamatanda, organisations can contact MSF should they need storage in Nhamatanda.
- Swiss Humanitarian Aid is working with MSF and Solidarités International on a potential donation of water and sanitation equipment that is currently stored in the Logistics Cluster warehouse.
- UNICEF is working with their partners on the distribution plan and the NFIs currently stored in the warehouse and has already started releasing their NFI's to partners.
- Save the Children International has one cold chain facility available in the WFP premises. Organisations needing to store cold chain items should contact Save the Children.

**The next Logistics Cluster coordination meeting in Chimoio is scheduled for Monday 22 April at 9:00 at the WFP Office.**
