## How to Access Common Services

*(18 December 2015)*

The Logistics Cluster, when activated in a sudden onset emergency, is responsible for providing logistics coordination, information management; and, where there is a gap in logistics infrastructure, it acts as a ‘Provider of Last Resort’ by offering common logistics services to support the humanitarian community in their response operations.

### LOGISTICS COORDINATION, INFORMATION MANAGEMENT AND GIS

- Logistics Cluster Coordination Meetings are regularly held in Kathmandu, Deurali (Ghorka District), Chautara (Sindhupalchowk District) and Dhading Besi (Dhading District). The Meeting schedule is available on Logistics Cluster website ([http://logcluster.org](http://logcluster.org)) and on [https://nepal.humanitarianresponse.info/](https://nepal.humanitarianresponse.info/)
- The Logistics Cluster has an Information Management Officer in Kathmandu. Information is disseminated daily through a dedicated mailing list and via the Logistics Cluster website. To subscribe to the mailing list: [http://logcluster.org/nepal.A GIS officer is also available in Kathmandu. Logistics mapping requests can be forwarded to the Logistics Cluster team.](http://logcluster.org)
- A Consignment Tracking Officer is stationed in Kathmandu to monitor cargo movement and storage requests.
