**INTRODUCTION**
- The recently arrived, new Logistics Cluster Coordinator welcomed the participants and invited all to introduce themselves.
- The previous meetings’ action points were addressed and the minutes from the previous meeting were approved.

**SITUATION UPDATE**
- The current case-load for the operation now stands at 992, 649* persons of concern, (UNOCHA, 16 July, *pending NADRA verifications).
- In some provinces of Pakistan, the Provincial Disaster Management Authority (PDMA) request humanitarian partners to apply for "no-objection certificates" before launching a new project or programme. In Khyber Pakhtunkhwa (KP) and the Federally Administered Tribal Areas (FATA) the NOC for Humanitarian Projects are required for all projects and issued by PDMA and by FATA Disaster Management Authority (FDMA).
- Several partners are still waiting for their aid pipelines to become available or for their No-Objection Certificates (NOC) for both travel and project needs to be granted. There will be an expected uptake in the services offered through the Logistics Cluster following the issue of NOCs for several partners. There may also be a change in the dynamic of the operation following Eid which may coincide with when the military complete parts of their aid response. The chair encouraged partners to submit their service request forms (SRFs) at the earliest opportunity.
LOGISTICS CLUSTER SERVICES

- Mobile Storage Units (MSUs) have been installed in the three main logistics hubs across the area of operation (Peshawar (Noswherea, Bannu, Dera Ismail Kahn (D.I.Khan) and temporary storage space made available to the humanitarian community on a no-cost to the user basis.
- Road transport services are available for urgent delivery of relief items to a partner’s area of operations. Requests for road transport services will be considered on a case by case basis.
- To access Logistics Cluster services, partners must complete and return an SRF. [link](http://logcluster.org/document/service-request-form-4)
  Information is available on the Logistics Cluster website to support partners in completing their SRFs. [link](http://logcluster.org/ops/pak14a)
  [link](http://logcluster.org/sites/default/files/documents/srf_instructions)
- Partners that have an expectation to use Logistics Cluster services but are withholding SRFs until their pipelines are available or their NOCs are granted were invited to meet bilaterally with Logistics Cluster staff to discuss their anticipated needs and for guidance on the information required for the SRF.
- Organisations requiring support with erecting their own storage facilities were requested to contact the Logistics Cluster Coordinator for more information regarding technical support. Contact details can be found on the Pakistan Operations page on the Logistics Cluster website: [link](http://logcluster.org/ops/pak14a)

IDENTIFICATION OF LOGISTICS GAPS, PARTNER’S BRIEFS

- UNICEF suggested that they may require support in identifying space for a storage unit they wish to erect in Bannu, the Logistics Cluster and UNICEF to discuss bilaterally on space requirements. UNICEF may also require support with identifying cold chain storage capacity at Peshawar level.
- Handicap International, WVI and IWS expressed an interest in accessing services and were encouraged to submit an SRF at their earliest convenience.

Next Logistics Cluster Coordination Meeting will be held in Peshawar on 22 July at 10.30 am in the WFP Office
