ACTION POINTS:

AGENDA: 1. Introduction
2. Situation update
3. Logistics Cluster services
4. Any Other Business

1. INTRODUCTION

- The Logistics Cluster Coordinator introduced the Logistics Cluster staff and all participants present in the meeting.
- The Logistics Cluster Coordinator advised that the prefabricated buildings (prefabs) requested by Handicap International had been delivered and erected.
- The participants were encouraged to visit the Logistics Cluster website for up-to-date information on current operations in Pakistan. Available information includes: maps, Situation Updates, the Concept of Operations, Meeting Minutes, blog articles and a road distance matrix. The Pakistan operations page is available at the following link: [http://www.logcluster.org/ops/pak14a](http://www.logcluster.org/ops/pak14a).
- An overview of the services the Logistics Cluster has provided since its activation on 21 June was also presented to participants. This includes transportation, information management, maps, storage and coordination meetings with more than 33 organizations actively working for the North Waziristan (NWA) dislocated operation.

2. SITUATION UPDATE

- The Logistics Cluster Coordinator advised participants that the 1 Mobile Storage Unit (MSU) in DI Khan and the 2 MSUs in Bannu will remain in place; they will be managed by WFP staff, so that the partners can still benefit from temporary storage. However, no further transportation services will be provided.
- The overall achievements of the Logistics Cluster as of 16 September 2014 include:
  - 1,561 cubic meters (m³) of relief items stored at Bannu LC 1 and LC 2; and DI Khan LC 1 storage space.
  - A total of 4,331 cubic meters (m³) of relief items were transported from Islamabad, Peshawar, Muzafargarh, DI Khan and Bannu to final distribution points of Bannu district and Khurram Agency.
  - The relief items of more than 8 organizations were transported, namely for the local government authority of Bannu (ACR), World Vision International (WVI), the Ministry of State and Frontier Regions (SAFRON), the Norwegian Refugee Council (NRC), the FATA Disaster Management Authority (FDMA), WFP, Muslim Aid Pakistan and Handicap International.

The relief items transported to distribution points include school bags, food hampers, buckets, emergency kits, jerry cans, stoves, hygiene kits, floor mats, aqua materials (water purifying tablets), mosquito nets, mattresses, tents, and kits (plastic mats, blankets, solar lights, buckets, mugs and ablution utensils, mosquito nets, kitchen utensils).

- The participants were reminded about the Warehouse Management Training which will be held from 25 to 26 September at the WFP Provincial Office in Peshawar, Pakistan.
- All the partners provided an update on their activities, implementation and issues in Bannu and DI Khan districts:
  - UNHCR reported that the distribution of emergency Kits will be completed by the end of this week and that a guest house was established in Bannu;
  - Handicap International reported that it requires one more month for storage at Bannu and thanked the Logistics Cluster for their services;
  - IMC reported that a psychosocial programme will be starting within one week in Bannu areas;
  - Muslim Aid Pakistan (MAP) reported that the distribution of NFIs will be completed by the end of this month;
  - WVI reported that obtaining No Objection Certificates (NOCs) is still a challenge for staff and also added that non-food items (NFIs) distribution through MAP will take one more month;
  - IRC reported that that NOCs had still not been received from the local authorities in Bannu;
  - NRC reported the distribution of NFIs through AHO in Bannu district from two distribution points and thanked the Logistics Cluster for the timely support for the transportation and storage services;
  - ACTED reported that NOCs were still not issued by the local authority and that they had hired the warehouse in Bannu;
  - WFP Logistics staff reported the recent dispatch of prefabs and generators for HI;
  - Oxfam GB reported on-going distribution of 3000 Hygiene Kits through CRDO at Bannu.

3. LOGISTICS CLUSTER SERVICES

- As noted above, the two MSUs in Bannu and DI Khan will remain in place, while no further transportation services will be provided.
- The Logistics Cluster website for Pakistan will continue to provide information and is available for partners at: [http://www.logcluster.org/ops/pak14a](http://www.logcluster.org/ops/pak14a).

4. ANY OTHER BUSINESS

- The Logistics Cluster Coordinator thanked partners, including the Government of Pakistan that have been working actively in the North Waziristan (NWA) operations since the Logistics Cluster was activated on 21 June 2014.
