South Sudan – Meeting Minutes

LOCATION: Humanitarian Hub, Malakal
DATE: 19 December 2017
CHAIR: IOM Logistics Cluster Focal Point Malakal

ACTION POINTS:
- Offloading of the barge due to start on Tuesday 19 December
- Agencies to store cargo in their own warehouses to create space for the cargo due to arrive on the next barge

AGENDA:
1. Logistics Cluster Operational updates
2. Stock Movement and constraints
3. LOGBASE & AOB

1. Logistics Cluster Update

- Representatives from the Logistics Cluster, Solidarites International, UNICEF and WFP met with Relief and Rehabilitation Commission (RRC) Malakal to discuss porters’ rates at Malakal Airport. A meeting with the company handling cargo at Malakal airport will take place next week.

2. Stock Movement and constraints

- The barge arrived on 15 December and offloading is expected to start on Tuesday 19 December.
- Another Barge is scheduled to arrive during the first quarter of 2018. Participants should contact the Logistics Cluster Juba for further information.
- The road from Malakal to Paloich is expected to be operational in the first week of January 2018. Akoka bridge rehabilitation work is being undertaken by UNMISS engineering.
- Logistics Cluster common warehouses in Malakal are at full capacity. Agencies are requested to store cargo in their own warehouses to create space for the cargo due to arrive on the next barge.

3. LOGBASE & AOB

- Agencies are reminded to ensure that safety measures are taken at the fuel storage plot.
- The Logistics Cluster will not have resources available to support the expansion of the logistics base in Malakal. Agencies looking at expanding their storage capacity at the base are advised to include logistics support in their project proposals or logistics planning for 2018.

The next Logistics Cluster meeting will be on 2 January 2018 at HMH meeting hall at 08:45am
