CROSS-BORDER OPERATIONS

TURKEY TO NORTHERN SYRIA | JANUARY 2021

UNDER UNSCR 2165, 2191, 2258, 2332, 2449, 2504 & 2533

TRANSHIPMENT OPERATIONS
To meet the need for support in accessing vulnerable populations and prepositioning relief supplies, since 2014 the Logistics Cluster has facilitated the transhipment of UN agencies’ cargo being transported cross-border into Syria through UNSC-authorised border crossings. Transhipment operations are supervised by the United Nations Monitoring Mechanism (UNMM). Since 2014, 100% of transhipment trust requests have been fulfilled.

COORDINATION & INFORMATION MANAGEMENT
In an effort to address common logistics gaps, minimise duplication of effort, and enhance operational decision-making, the Logistics Cluster holds regular coordination meetings in Gaziantep, as well as collecting, analysing, and sharing critical information. In 2021, one meeting has been held, with 22 attending organisations.
