

Highlights

- In July, the Logistics Cluster in close collaboration with the Syrian Arab Red Crescent (SARC) and UN agencies coordinated six Inter-Agency Humanitarian Convoys to hard-to-reach and besieged locations, two of which were conducted jointly with ICRC.

Storage by item type - July 2017

Transport and Storage

- Land transport to Qamishli proceeded smoothly during the month of July. A total of 110 trucks successfully arrived delivering much-needed humanitarian supplies including Food, WASH and Shelter items on behalf of WFP, UNHCR, UNICEF, and ICRC.
- The Logistics Cluster stored 1,952 m³ of newly received humanitarian goods in the common storage facilities in Qamishli and Rural Damascus on behalf of UNICEF, GOPA, ICRC, UNRWA, IMC, IOM and UNFPA.

Coordination & Information Management

- In order to support the logistical and operational capacity of organizations responding to the Syrian crisis, the Logistics Cluster offered two Warehouse Management Trainings which took place in Amman with 23 participants from 14 organisations and in Damascus 32 participants from 12 organisations.
- Logistics Cluster coordination meetings are regularly held in Damascus, Amman, Gaziantep and Antakya. Key humanitarian actors attend to discuss logistics bottlenecks and develop common solutions for improved humanitarian response.
- Information Management products, including maps, situation reports, capacity assessments, infographics, and real-time flash logistics updates, are available on the dedicated Syria Logistics Cluster webpage: www.logcluster.org/ops/syr12a
- Supplier lists, transport and warehousing indicative price lists are available upon request.
