Syria Operation Overview
(October 2016)

Highlights:

- In October, eight Inter-Agency Humanitarian Convoys to besieged and hard-to-reach locations inside Syria were coordinated by the Logistics Cluster, in close collaboration with SARC and OCHA.
- Much needed humanitarian supplies were transported to these areas on behalf of seven humanitarian organisations.
- As part of the airlift operation between Damascus and Qamishli, 50 flights were conducted in October, delivering both food and non-food items to the city.
- Inter-Agency cargo has also been included in the airdrops, being conducted in Deir Ezzor as part of WFP airdrop operation.

Transport and Storage

Storage by Item Type (m³) - October 2016

- WASH: 155,522 m³ (41%)
- General Operations Support: 219,564 m³ (59%)

Coordination & Information Management

- Logistics Cluster coordination meetings are regularly held in Damascus, Amman and Gaziantep and are regularly attended by key humanitarian actors, in order to discuss logistics bottlenecks and develop common solutions for improved humanitarian response.
- Logistics coordination meetings are also held in Beirut on a bi-monthly basis.
- The Logistics Cluster’s information products include maps, situation reports, capacity assessments, infographics, and real-time flash logistics updates, which are available on the dedicated Syria Logistics Cluster webpage: http://logcluster.org/ops/syr12a
- Quarterly infographics have been produced in October for Syria, Turkey and Jordan.
- The most recent meetings minutes can be found at the following link: http://www.logcluster.org/document/meeting-minutes-damascus-3-october-2016
- In addition, supplier lists, indicative transport and warehousing price lists are available upon request.
