**Situation Overview**

- Despite the ceasefire regime, the security situation in the Eastern Conflict Area of Ukraine (ECA) remained volatile.
- During the reporting period, the Logistics Cluster has facilitated 5 convoys (total of 68 trucks) with significant volume of Shelter, WASH and Education items transported to NGCA (Non-Government Controlled Areas).

**Coordination**

- The Logistics Cluster team has been providing assistance to humanitarian organisations with the documentation and registration, requested by the Ministry of Social Policy.
- Regular Logistics Cluster coordination meetings have been held in Kiev on a monthly basis.
- By-pass road (Donetsk and Yenakiyeve region) assessments were completed; the updated map is available at: [http://www.logcluster.org/map/ukraine-access-constraints-map-22-august-2016](http://www.logcluster.org/map/ukraine-access-constraints-map-22-august-2016).
- Logistics Cluster Situation Updates as well as Coordination Meetings Minutes were made available for the Cluster stakeholders via the dedicated web page at: [http://www.logcluster.org/ops/ukr15a](http://www.logcluster.org/ops/ukr15a).

**Road Transport and Access**

- The Logistics Cluster continues to assist humanitarian actors working in Ukraine by streamlining the complex procedures required for transport, by giving advice on the paperwork required, by liaising with other actors to facilitate access for cargo, and by facilitating the recognition of convoys at checkpoints.
- In total, within the reporting period, the Logistics Cluster successfully facilitated the delivery of more than **822.2 MT/ 2492.9 m3** of Shelter, WASH and Education items on behalf of UNHCR, UNICEF, People in Need and IOM:
