2. SADC Update

- The Guidelines are aimed at containing the spread of COVID-19 whilst facilitating trade and transport of goods and services across the Tripartite area during the COVID-19 pandemic.
- Tripartite guidelines for Transport Facilitation:
  - Refer to the link in the action points
  - Guidelines may/will be customized to Malawi context by the government and relevant stakeholders

3. National Response Updates

- MSU/Tent deployment strategy ongoing – plan and map to be shared with partners during the next meeting.
- 18 units of oxygen concentrators procured by WHO.
- An assessment of the National and District Supply Chain System was done using the maturity scorecard assessment supported by UNICEF.
- COVID-19 supplies (offshore and local) were procured through Procurement Services Modality with funding from HSJF, GAVI, DFID and World Bank.
- Needs and Gaps:
  - Limited information on pipeline requirements and priorities from Ministry of Health and its partners for efficient planning.
  - There is a gap of US$ 1.614 Million. Only 7% of the National Logistics Cluster activities are funded.
