 The Jordan/Syria official border crossing point 'Al-Naseeb' faces intermittent opening and closures. Organizations are able to send cargo via the Swaida'a option which is as follows: Jaber Border (Jordanian side) contacts the Naseeb Border (Syrian side) checking if entry is possible. If yes, once the trucks arrive in Naseeb, the trucks proceed to Swaid'a with convoys. Customs clearance procedures are completed in As-Sweida, after which the trucks can proceed to their destinations.
