This map is only intended to display the physical condition of the roads, based on the best information available at the time of publication. It does not address access issues related to factors other than the actual physical condition of the road itself. It does not reflect the political situation, or address security issues.

Data Sources:
- WFP, UNOPS, UNMISS, GeoNames, TRAFFIC

Note: State and County Boundaries on this map do not imply acceptance by the United Republic of Sudan and the Republic of South Sudan. The map is not to scale. It is for information purposes only and the states do not claim to be accurate. The symbol of road closed "-" has been used in some countries to indicate that the road is closed due to conflict and it should be interpreted as "road is closed for security reasons". This may not always be the case due to different conditions in different parts of the country and the type of road.

Access constraints:
- Road closed
- Road working
- Road open
- Route impassable
- Undetermined boundary
