This map is only intended to display the physical condition of the roads, based on the best information available at the time of publication. It does not address access issues related to factors other than the actual physical condition of the road itself. It does not reflect the political situation, or address security issues.

The boundaries and names used on this map are not necessarily reflective of UN, UNSC, or other international body views.

The political situation in the region is rapidly changing, and this map was created to reflect a snapshot in time of the situation on the ground. It is not a forecast of future events.
