1. Passengers traveling as short-term visitors are not allowed to transit or enter Singapore.

2. Passengers are required to have a health report from the health organizations of the country they are arriving from. The report must show that they have undergone the Coronavirus (COVID-19) check and been tested negative.

3. All passengers must fill out a quarantine form prior to arrival. - This does not apply to passengers approved by National Steering Committee on Covid-19 Prevention and Control. - This does not apply to passengers who are experts, business managers or highly skilled workers. They will undergo medical examination at the port of entry and self-isolation for 14 days if the result is positive.

4. All passengers entering Singapore, including Singapore Citizens, Permanent Residents and passengers with a valid Long-Term Visit Pass or a Long-Term Visit Pass In-Principle Approval (LTVP IPA) issued by the Immigration and Checkpoints Authority (ICA), will be allowed entry if they have an Approval Letter for Entry (ALE) issued by the Ministry of Education (MOE) or the Ministry of Manpower (MOM) or the Immigration and Checkpoints Authority (ICA).

5. Compulsory screening of all airport passengers and crew to Samoa is in effect at all ports of entry. All are required to undergo a medical examination and provide additional documents where applicable.

6. A Special Health Declaration Card has to be filled out by all passengers inflight or on arrival in to Samoa.

7. All travelers, including returning residents entering Samoa, are required to have medical examination within 3 days before entering. It has to be signed by the attending physician and countersigned by the Hon. Tutuila Tausaga, Director of Public Health, American Samoa.

8. Passengers must:
   a) Provide proof of test results done within 5 days for the Coronavirus (COVID-2019). Passengers with a negative test result will be allowed to enter to Samoa.
   b) Provide proof of vaccination against COVID-19.

9. Passengers are required to undergo a medical examination and provide additional documents where applicable.

10. Nationals of Belarus, Japan and Russian Fed. with a normal passport and holders of an International Certificate of Vaccination will no longer be visa exempt. Nationals of China, Viet Nam are no longer visa exempt if they reside in China for more than 14 days. Nationals of Denmark, Finland, France, Germany, Norway, Spain, Sweden and passengers with a British passport are no longer visa exempt.

11. All passengers will be placed on quarantine at a designated facility for 14 days upon arrival.

12. All passengers must fill out a quarantine form prior to arrival.

13. Passengers who travel to or from overseas will undergo a medical examination at the port of entry.

14. All flights to Turkmenistan are suspended until 20 May 2020.
