**Nauru**

**Full Name:** Republic of Nauru

**ICAO Code:** NRG

**Status:** Airport Restrictions Information

**Restriction Period:**
- Until 21 August 2020
- Until 31 August 2020

**Source of Info:**
- Nauru Government
- Australian Department of Health

**Overview:**
- Nauru's borders are closed. Only Australian citizens, residents, and immediate family members can travel to Australia. Travelers returning from a country may undergo enhanced health screening on arrival in Australia. Airports will be quarantined for 14 days and state and territory travel restrictions may also apply.

**Restrictions:**
- Physical distancing requirements are in place in Melbourne, Victoria.
- All travelers returning from a country may undergo enhanced health screening on arrival in Australia, and an extension of current international passenger flight restrictions into Victoria. From Monday 13 July, the following will apply:
  - for a cap of 125 international arrivals per week, or a cap of 750 international arrivals per week with a 14-day quarantine period.
  - A cap of 50 international arrivals per day will continue, as announced on 7 July with a view to further reductions in subsequent weeks.
- Flexibility remains within these caps so as to ensure minimal disruptions to returning Australian citizens and permanent residents.

**Cook Islands**

**Full Name:** Cook Islands

**ICAO Code:** CRG

**Status:** Airport Restrictions Information

**Restriction Period:**
- Until 24 July 2020
- Until 29 July 2020

**Source of Info:**
- Commonwealth of Northern Mariana Islands
- Guam Department of Health
- Australian Department of Health

**Overview:**
- The Cook Islands has developed the 'Cook Islands Promet' which is a joint commitment to protect all Cook Islands residents, and international visitors, from the severe acute respiratory syndrome coronavirus widely known as COVID-19. Developed by Cook Islands Tourism in collaboration with the Office of the Prime Minister and Te Māoriri Ora, the Cook Islands Promet includes some basic measures which are in place and set to continue.

**Restrictions:**
- All current restrictions will continue until 29 July 2020.
- As of Wednesday, July 15, commercial tourist flights to French Polynesia are resumed with tourists obliged to present a negative result to the test for the detection of the genome of SARS-CoV-2 for screening for COVID-19 (RT-PCR), carried out in the 3 days preceding the flight. All new arrivals, departing from the 17 French Polynesian departments, will have to submit to the new protocol for entering French Polynesia: confinement VIP lanes.

**Travel Advice:**
- For the latest travel advice, please visit the Australian Department of Health website.
