Solomon Star News, 29 August 2020

• National State of Emergency extended until on or around 27th November 2020. This prohibits entry to the Solomon Islands for aircrafts and vessels without approval by the Prime Minister. • Emergency zones established around the capital city and along provinces (Choiseul and Vatia Outer Islands) adjacent to the maritime border with PNG. A multi-sector border response with SI police, health, customs and immigration services has been deployed to border communities and health services to strengthen points of entry capacity (24th August 2020). • National regulations specifying both quarantine and COVID-19 testing regimes for incoming travellers through all points of entry (Emergency Powers (Covid-19) (No.3) Regulations 2020 – see attached). Those from high risk COVID-19 countries are quarantined at a designated government quarantine facility for 21-days and subject to 4 COVID-19 tests. • Risk assignments are completed by assessing pre-flight information attached. Those from low risk COVID-19 countries or countries other than Singapore are subject to a 14-day quarantine period at a designated quarantine facility and 3 COVID-19 tests. • Emergency officers declared under sections 177 and 178 of the Public Health Act, authorised officers under section 36 of the Emergency Management Act, and any outbound passengers on the flight.

Solomon Islands Government Advisory, 24 August 2020

It is still necessary for emergency powers to be exercised in order to prevent or minimize risk and the loss of human life to COVID-19. I therefore renew the Declaration of a State of Emergency that was made on 4 September 2020, 11:00pm until Monday 28 September 2020 at 8:00pm, unless renewed in accordance with the law. Teams has been deployed to border communities and health services to strengthen points of entry capacity.
