<tr>
<td><strong>American Samoa</strong></td>
<td>State of Emergency is extended until 21 March 2021. Color-coded system to guide response. Current level is Code Blue. All entry permits suspended until further notice. All travelers must provide negative COVID-19 test results within 72 hours before arrival and are subject to full quarantine of 14 days. Moreover, the traveler is required to disclose if he/she had a positive result prior to testing negative. Cargo flights into the Territory to deliver or retrieve cargo or mail will be allowed, provided that each occupant of the plane must furnish proof to the Director of Health of a negative COVID-19 test results within 72 hours before arrival, and further provided this no one will disembark without the prior written approval of the Governor.</td>
<td>Until 21 March 2021</td>
<td>Australian Samoa Government, 19 February 2021</td>
<td><a href="https://www.americansamoa.gov/">https://www.americansamoa.gov/</a></td>
</tr>
<tr>
<td><strong>Australia</strong></td>
<td>Before you travel to Australia, you should complete the Australia Travel Declaration at least 72 hours before your departure for Australia. This applies to the following travelers entering Australia: Australian citizens and permanent residents, people who are automatically exempt from the travel restrictions and people who have been granted an individual exemption to the current travel restrictions. Travelers who do not complete the Australia Travel Declaration include: flight crew, Australian accredited foreign diplomats and people travelling on military flights.</td>
<td></td>
<td>Australian Department of Home Affairs, 5 March 2021</td>
<td><a href="https://covid19.homeaffairs.gov.au/">https://covid19.homeaffairs.gov.au/</a></td>
</tr>
<tr>
<td><strong>Australia</strong></td>
<td>The following additional requirements are in place for some travelers seeking to travel on quarantine-free flights from New Zealand to Australia: from Thursday, 25 February 2021, any traveler from New Zealand who has been in Auckland (except for transit through the airport from a connecting flight) for any period over the previous 14-days, is not eligible to travel on a quarantine-free (green zone) flight. Any travelers from New Zealand who have not been in Auckland for any period over the previous 14-days are still eligible to travel on a quarantine-free (green zone) flight. Routine pre-departure and on-arrival screening will continue. Note: all travelers should check the arrangements in both their place of arrival and place of final destination as quarantine requirements may apply.</td>
<td></td>
<td>Australian Department of Home Affairs, 19 February 2021</td>
<td><a href="https://covid19.homeaffairs.gov.au/">https://covid19.homeaffairs.gov.au/</a></td>
</tr>
<tr>
<td><strong>Australia</strong></td>
<td>If you are travelling to or transiting through Australia you must provide evidence of a negative COVID-19 (PCR) test on your airline, taken 72 hours or less before your scheduled departure. If you do not have evidence of a negative COVID-19 (PCR) test, you should not go to the airport as your airline will not allow you to board the aircraft. Masks must be worn on all international flights, including at airports. You are automatically exempt from the travel restrictions and can enter Australia (without obtaining an individual exemption) if you are: an Australian citizen, a permanent resident of Australia, an immediate family member of an Australian citizen or permanent resident*, a New Zealand citizen usually resident in Australia and their immediate family member, a person who has been in New Zealand for 14 days or more immediately prior to arrival by air in Australia, a diplomat accredited to Australia, including their immediate family members (each member of the family unit must hold a valid subclass 995 visa), a person transiting Australia for 72 hours or less, airline crew, maritime crew including marine pilots, a person recruited under the Government-sponsored Work Program or Pacific Labour Scheme, a person who holds a Business Innovation and Investment (subclass 188) visa.</td>

<tr>
<td><strong>Commonwealth of Northern Mariana Islands</strong></td>
<td>All passengers who are travelling into Saipan (regardless of point of origin) must quarantine for a minimum of 14 days in their designated government quarantine facility. Currently, COVID-19 vaccination prior to entering CMI does not influence quarantine assessment and process. Upon arrival at their designated government quarantine facility, all travelers are required to undergo 1st day testing. In addition, all travelers are required to test a second time on the 5th day after their arrival date. If 5th day testing returns negative, individuals may be released from the designated government quarantine facility.</td>

<tr>
<td><strong>French Polynesia</strong></td>
<td>As of Wednesday, February 3rd, travel is authorized only for travelers who can justify one of the compelling reasons (health, professional, family, return home) as described on the website of the High Commissioner. The duration of this measure will be specified in the coming days. All travelers aged 11 and over who travel to French Polynesia by air are subject to the following mandatory conditions: Prior to boarding. Proof of a negative RT-PCR test (any RT-PCR test listed on this FOA site is allowed) carried out within three days prior to their international air departure. If the result is not obtained in due time, a certificate of comparison of the RT-PCR test must be presented to the airline company, together with a negative result to an antigen test performed on the day of boarding. Any antigen test listed on this FOA site is acceptable for the same-day test in the event the RT-PCR test result was not received. Self-tests are not accepted. Present the receipt of the health registration from the Etsi platform (Electronic Travel Information System). Present the certificate of derogatory travel and the declaration on honour completed and signed.</td>

Hawaii
Governor Ige issued the eighteenth supplemental proclamation, which includes mention of an anticipated new exception for vaccinated travelers that will become effective only upon approval by the director of the Hawaii Emergency Management Agency. This exception is not available as of today.
All transpacific travelers are required to have a negative test result from a trusted travel partner before their departure for Hawaii, in order to bypass the mandatory 10-day quarantine. Test results will not be accepted once a traveler arrives in Hawaii. Travelers who do not have a negative test result prior to departing for Hawaii must self-quarantine for 10 days.

Until 13 April 2021
Office of the Governor of Hawaii, 12 February 2021

Japan
The Inter-Agency Task Force on the Management of Emerging Infectious Diseases (IATF) of the Philippines, 11 March 2021, approved by the Controller.

Until 22 June 2021
Office of the President of the Philippines, 13 March 2021

Kiribati
Kiribati extends its border closure until the end of June 2021.

Until 22 June 2021
Office of the President of Kiribati, 13 March 2021
Press release forwarded by OCHA Pacific to Pacific Humanitarian Team and Clusters

Korea
Flights and ships continue their weekly and monthly schedule to and from Nauru. Cargo freighters flights routinely operate every Fridays and Saturdays to bring in food and medical supplies. The cargo ship Captain Qirnas arrived 24 August and its crew tested on board for COVID-19 before cargo is off loaded.

From 24 February 2021
South Korea Immigration Regulations, 24 February 2021

Nauru

<td>Singapore</td>
<td>The Multi-Ministry Taskforce regularly reviews our border measures to manage the risk of importation and onward local transmission from travellers. Given the surveillance regime that we have put in place for travellers serving Stay-Home Notice (SHN) at their own residence, we will also adopt a risk-based approach and allow more travellers to serve their 14-day SHN at a suitable place of residence. From 1 January 2021, all incoming travellers will also be required to pay for their stay at designated SHN facilities, and will be responsible for their inpatient medical bills if they have onset of symptoms of COVID-19 within 14 days of their entry to Singapore.</td>
