<tr>
<td>Guam</td>
<td>11-Aug-20</td>
<td>Wilhelmsen Website</td>
<td>Crew Change - For crew staying for less than 5 days stay in Guam, they will not need to undergo quarantine or testing if they originate from low-risk areas. For crew that stay for more than 5 days in Guam, they will need to take the test 5 days prior to arrival in Guam or on the 5th day after arrival, they will need to self-quarantine for 14 days. If arriving from low-risk area, crew must have a negative test report within 5 days prior to arrival, or be tested on the 5th day and adhere to daily symptom monitoring, social distancing, face covering and hand-washing etiquette for up to 14 days or departure from Guam. If arriving from a Non-Low-Risk area, risk must have negative test 5 days prior to arrival, and must self-quarantine up to 14 days or until departure from Guam. All people are required to fill out a HealthDeclaration form to be submitted at the DPHSS processing station. Those who are subject to quarantine restrictions are required to sign a voluntary quarantine acknowledgement and any persons who refuse to sign will be subject to involuntary quarantine.</td>
</tr>
<tr>
<td>Kiribati</td>
<td>23-Jun-20</td>
<td>Kiribati Department of Health</td>
<td>To make sure that we can allow food and supplies to enter the country, all container vessels and fuel tankers are exempt but are strictly required to spend 14 days outside of the RMH after departure and prior to arrival at the RMH port. All container vessels and fuel tankers that have a history of entering RMH ports that have the same crewmembers on board as verified by MoHMS and immigration are exempt for the 14-day quarantine. For vessels that have changed crew, new crew members must show 21 days of consistent health checks prior to arrival and those new crew members with valid negative test results must have consistent health checks along with other existing crew prior to arrival in the Marshall Islands. Vessels with fewer crew members, with fewer days on board will be required to complete the 14 day quarantine or if crew is not required. Cargo vessels and fuel tankers must adhere to the National Disaster Committee approved Standard Operating Procedures - Maritime (SOP). Human to human contact is strictly prohibited. Cruise ships, including live aboard vessels and yachts are suspended from visiting RMH until further notice.</td>

</table>
The Vanuatu State of Emergency invoked for Tropical Cyclone Harold has ended on 09 August and will not be extended. The State of Emergency for Coronavirus remains in place until 31 December 2020.

The East Micronesia Service (EMS) will make calls to Kosrae based on inducement on alternate voyages until the end of the year.

New Zealand Prime Minister Jacinda Ardern announced last night that Auckland that will go to Alert Level 3 of 1200 today. Please be assured that Matson South Pacific is considered an essential service provider and will continue operating to move freight to the South Pacific Islands. Island Chief will sail as scheduled this week. There currently are no changes to the schedule going forward.

Matson has announced that a Notice of Removal of Temporary Quarantine (TOQ) has been filed for Nauru. The temporary quarantine surcharge of USD 349/tau announced on 22nd April will be suspended, effective on cargo loading on the Capitaine Quiries VI8H.

The Micronesia Express service will omit the port of Shekou until further notice owing to the 2019-nCoV issue.

The Gulf and South Asia: The UAE, Bangladesh, India, Sri Lanka, Oman, Pakistan, Qatar, and Saudi Arabia To: Soeva and Lostake.

The Micronesia Express service will call at KSA - Majuro - PNI to shorten the quarantine period at Majuro.

While the reduction in the number of sailings coupled with the lower fuel price is making a material difference in operating costs, we also need to implement a modest rate increase on the NZ - Fiji and Australia - Fiji services. The net impact is that the current freight costs applicable in May and June will have a net increase of US$100/TEU effective from the Kokopo Chief V25 sailing from Melbourne on the 5th July and the Capitaine Tasman V357 Wallis and Futuna 30 August to01 September.

While the cargo ex China appears to be gradually recovering, it is expected that there will be a huge drop in the car transportation sector.

While the majority of vessels calling to Solomon Islands have a port in Papua New Guinea as the previous port. Solomon Island authorities are watching in the COVID19 situation in PNG closely. Currently there have been no changes to the 3 tier quarantine regime and exemption process as shown below.

The Micronesia Express service will call at KSA - Majuro - PNI to shorten the quarantine period at Majuro.

Swire will return to a three vessel NZX service starting on 14 August. Departures from Auckland will be every 11 days starting with the Island Chief 008.
