CHAD – LOGISTICS UPDATE

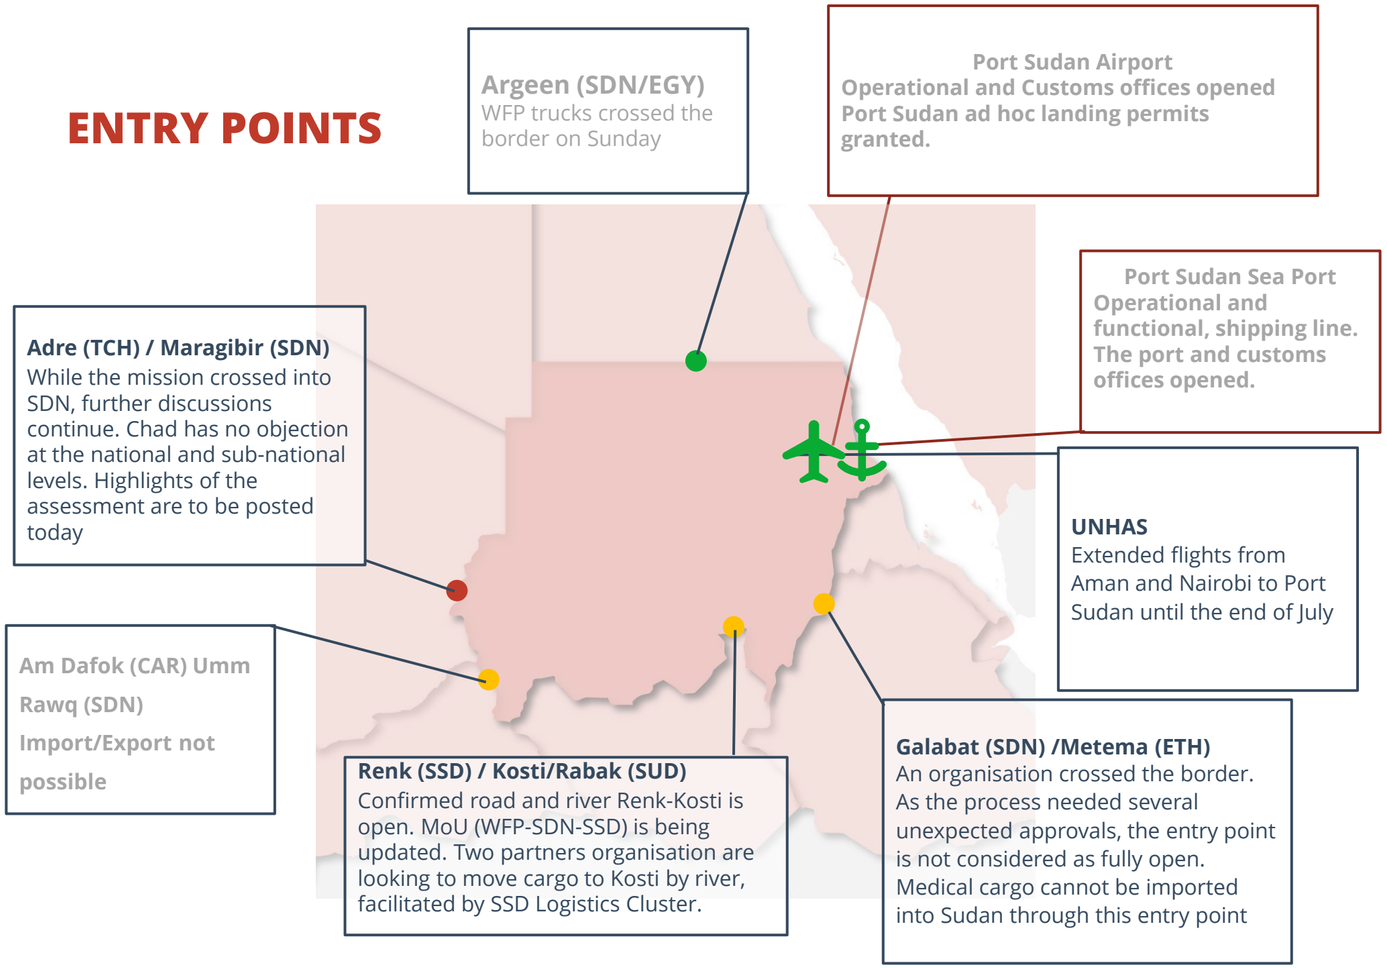
Action points

ETC to share activities	• Partners can reach out to Sudan.ETC@wfp.org to contact the cluster - to ask for internet or security comms services, technical advice, to be added or removed from mailing lists or email invite • Dedicated webpage is available: https://www.etcluster.org/country/sudan
IMPACCT WG	• A technical session on customs and importation challenges will be organized next week

Logistics Cluster Sudan Snapshot, #8. 26 June 2023

If you have any logistical information you would like to share with partners, please send an email to sdn.response.logcoordination@wfp.org

ENTRY POINTS



KEY UPDATES

- Partners' experiences in importation processes through the Egyptian (Argeen) and Ethiopian (Metema) have been added as an annexe of the 3rd IMPACCT WG bulletin on Importation and Customs Processes
- A dedicated box for Chad documents have been added to the website:
  - Document on exemption on import taxes for relief cargo for Sudanese refugees, link
  - Import freight charges, link
  - Main highlights of the logistics assessment have been published
- Two partners have already provided information on their storage capacity in Sudan. Link to survey
- Meeting minutes and slides from the last coordination meeting are online

Previous updates – no changes are included in light grey

Information represented in this document is based on the most accurate data currently available from the Field Logistics Cluster staff supporting the emergency response operation. It may be revised or updated as new or more complete data becomes available.
