LOGISTICS CLUSTER

Coordination Meeting

22 JUNE 2023

Coordination meeting

Location: WFP Meeting room
Bor, South Sudan

Date: 22 June 2023

Chair: The Logistics Cluster

Organizations

1. Catholic Relief Services (CRS)
2. International Organization for Migration (IOM)
3. Norwegian Refugee Council (NRC)
4. United Nations Children's Fund (UNICEF)
5. World Health Organization (WHO)

Actions Points

- The Logistics Cluster to conduct dangerous goods training in Bor.
- The Logistics Cluster to update partners when there is a window of opportunity on convoys to NJ and GPAA in July.

Agenda

- Air Operations - updates
- Road Convoys Coordination - updates
- River Operations – updates
- Common Transport Service (CTS)
- AOB

Air Operations - updates

- The fixed wing aircraft is used to support Sudan response **Ex-Juba to Rubkona, Malakal and Renk** on free to user basis. The support is for critical cargo only and service requests will be reviewed **on a case-by-case**.
- The Helicopter is used on ad-hoc for hard-to-reach locations.
- Partner organizations are encouraged to preposition cargo via river for locations that are closer to the Nile and find an alternative way for the last mile delivery.

Road Convoy Coordination - updates

- WFP has temporarily put on hold Convoys to Northern Jonglei (NJ) and Greater Pibor Administrative Area (GPAA) given the recent heavy rain falls.

- Weather forecast team has predicted a window of opportunity in July. Partners will be updated on the possibilities of enacting the road movements once opened.

- The Logistics Cluster management team will update partners on plans for the wet season operations.

River Operations

- River transport is on full cost recovery by the partner which started in April, 2023
- Loading for boat convoys to locations along the Nile, Malakal, Kodok all the way to Renk is in progress.
- Partners to submit requests for the next river convoy in July. Follow similar procedures, the Logistics Cluster river operations team will pre-screen SRFs and register consignments as before.

Common Transport Service(CTS)

- The Logistics Cluster Bor hub operates with three Common Transport Service (CTS) trucks. It supports partners with shunting cargo from respective warehouses to the airstrip, support transporting cargo Bor town and surrounding area within a limit of 15 km from Bor Town.
- Partner organizations requesting to utilize CTS trucks to share accurate tonnage of cargo to be transported which supports the cluster in planning and allocation of trucks.
- To use the CTS services, partners need to fill SRF and share with co_ssd_borlogcluster_user_list@wfp.org

A.O.B

- Partners to inform new locations accessible by river and close to their respective areas of your operations.
- Partner raised a request for airlifting drilling rigs. Logistics Cluster airlifts critical cargo only to locations not reachable by road or river. Logistics Cluster advised the option to use WFP UNHAS services on cost recovery basis if they wish to.
