NON-FOOD ITEMS & EMERGENCY SHELTER SECTOR

Response to New Displacements

3 August 2009

Darfur

►Background

Displacements in late June have been reported in Dar Zagawa and Umm Baru; but assessments have not yet been possible due to insecurity. In early July, new arrivals were reported in Tawilla, North Darfur, originating from Tabara and Rokero villages, part of Jebel Marra and south of Jebel Si in West Darfur. Displacements in Kafod were reported in mid-July, due to the burning of villages during recent clashes.

As NFI & ES Sector Lead, UNJLC is coordinating Sector support for all newly-displaced households as required.
