

LOCATION: WFP Tukul –Bor Sub Office

DATE: 12 May 2016

CHAIR: Logistics Cluster Bor

PARTICIPANTS: IOM (International Organization for Migration), Intersos, UNOCHA (United Nation Office for Coordination of Humanitarian Affairs), NRC (Norwegian Refugee Council), PAH (Polish Humanitarian Action).

ACTION POINTS: • Logistics Cluster to provide an update ongoing deliveries ex-Bor

AGENDA:

1. Operational update
2. Service Request Form (SRF) guidelines
3. Access constraints and update on Jonglei convoys

1. Operational Update

- Participants were updated on the ongoing airlift delivery in Jonglei State for FSL/FAO.
- The Logistic Cluster informed participants on the planned relocation of one Mobile Storage Unit (MSU) that will take place next week, from UNMISS premises to the WFP Office compound. All cargo stored in the MSU has been relocated by the concerned organization in preparation for the move.

2. Service Request Form (SRF) Guidelines

- The Logistics Cluster reminded organizations about the procedures to submit SRFs. SRFs are to be sent only to this email address: southsudan.clustercargo@wfp.org – all SRFs submitted need to be completely filled out with details for consignor, consignee and items to be transported (weight and volume) in excel format. Only upon registration the Logistic Cluster will advise where to preposition cargo to be airlifted.

3. Access constrains and update on Jonglei convoys

- The Logistics Cluster informed organizations that the Juba-Bor road is passable for heavy vehicles.
- Participants advised that due to recent security constrains near Mangalla on the Juba-Bor road, the road has limited movement.
- The most recent Access Constraints map can be found here: <http://www.logcluster.org/map/access-constraints-map-13-may-2016>
