- Logistics Cluster coordination meetings will take place every other week. The next meeting will be held on 1 March, time to be confirmed.

### 2. Common Transport Services (CTS)

- One CTS truck is available to the humanitarian community; however, this truck is currently under maintenance. For alternative transport options, organisations are advised to contact the Logistics Cluster Melut focal point.
- For CTS requests, organisations are reminded to submit Service Request Forms (SRFs) with 48 hours notice. The SRF must bear the requesting agency logo and stamp.

### 3. Storage

- One Mobile Storage Unit (MSU) remains available for common warehousing. Plans to increase storage are under discussion.

### 4. Access Constraints

- Organisations have requested CTS support for delivery to areas not cleared through UNDSS. The Logistics Cluster will follow up with OCHA and United Nations Department for Safety and Security (UNDSS) on accessibility.
