Jonglei State - Bor

Subject: No operation on Saturday and Sunday as from 22nd August, 2015 to April or August, 2016

This is to inform All the above mentioned that from 22nd August, 2015 there will be no plane operating in and outside Juba and Bor Airport both locally and Internally on Saturdays and Sunday every week until next year between April and August 2016.

Runway construction is ongoing in Juba international Airport and that is the reason of the above issues.

You will be updated as we approach the mentioned months. Your cooperation is highly appreciated.

We are sorry for the inconvenience this might have caused you.

Regards,

Kuot John Akech
