Action Points:
- WFP to streamline communications with the field officers on fuel access to humanitarian agencies.

Agenda:
1. Update on WFP agency fuel provision
2. 2019 Humanitarian Response Plan (HRP) for Logistics Sector
3. Updates from agencies
4. AOB

1. **Update on WFP agency fuel provision**
   - Participants were taken through a presentation by WFP on fuel availability.
   - Additional fuel storage tankers have been sent to Kosti, Kassala, Zalingei and Port Sudan to increase storage capacity.
   - A total of 23 Service Level Agreements have been completed so far.
   - Participants noted that there was need to streamline communications with the field offices about fuel access for humanitarians.
   - Participants enquired about the possibility of prepositioning fuel in Central Darfur. WFP responded that storage tankers had been sent to Zalingei and that installation was still in process.

2. **2019 HRP**
   - Participants were given a presentation on the 2019 Humanitarian Response Plan for the Logistics Sector.
   - The plan is inclusive of activities by both UNHAS and Inter-Agency telecommunications who are an integral part of the Logistics Sector.
   - The sector strategy for 2019 and indicators for the planned activities were explained to participants.
3. Updates from agencies

- UNICEF and CRS reported on challenges faced with porters and transporters due to cash liquidity issues. Porters unions reported that they are unable to meet the daily payments of the workers because of cash flow problems.

4. AOB

- CRS enquired about contacts for companies who can supply and maintain fire extinguishers in field locations. Agencies responded that they use the companies based in Khartoum. However this request will be shared within the sector members for any leads.
- Participants requested the possibility of having agency transporters also access WFP fuel. WFP reported that this was not possible.

The next meeting will be held on 8 January 2019 in the WFP conference room at 10:00.
