Action:
- GLC to continue with the gap analysis exercise.

Agenda:
1. COVID-19
   - Operations & Logistics
2. UNHAS
3. Gap Analysis exercise- Global Logistics Cluster

• COVID-19
- INGOs urged to share the list of procurement and distribution of COVID-19 supplies.
- WFP online Portal is capturing this information, however many agencies are yet to submit the required updated lists
- WFP held a meeting with the Director General, amongst the discussions was the tracker that could capture the procurement and A demo was given on the WFP portal for tracking supplies for COVID-19. The DG expressed gratitude and as this was exactly what they desired,
- DG requested for some information in the forecast to be included in the portal.
- In addition, the DG also asked if the portal could include information on distribution of supplies.
- WHO Global portal is now live. Agencies are to procure using this portal
- A tender has been launched out for LTAs for the supply of PPEs for humanitarian workers and their families. Agencies will be able to piggyback on this LTA and do their own procurement.
- Movement of humanitarian workers into Sudan and out of Sudan is an issue, now, humanitarian workers can leave but cannot come into Sudan. Discussions are ongoing on this.
- Fuel is also an issue, OCHA is in discussions with HAC to avail fuel to humanitarian agencies, by either designating one petrol station dedicated
- There has been no feedback on the Note Verbale submitted to the government.
• Some agencies have begun receiving COVID-19 supplies procured out of the country.

**UNHAS**

- Khartoum to Addis flights are ongoing, the flight departed today with 14 passengers.
- Internal flights are also ongoing, no passengers can depart Khartoum to the field, some states do not allow passengers except on transit. Passengers from the field can come to Khartoum, this is for those who are connecting for onward flights out of the country to Addis.
- Discussions are ongoing to allow humanitarian passengers into the country.
- Cargo flights are ongoing.

**Gap Analysis Exercise**

- In order to better understand the needs of the humanitarian actors, a gap analysis exercise must be carried out. This will form the basis of the concept of operations.
- GLC has been conducting Gaps and needs exercise to understand the humanitarian context, on the challenges and bottlenecks, six interviews have been conducted. Would like to reach 15 to 20 partners.
- After meeting with WFP CO, a Logistics Cluster Coordinator will be appointed to support remotely until when borders are open and will be able to come into the country.
- Report will be presented to the partners beginning of June, GLC will support the Logistics Cluster Coordinator and partners to write the CONOPS, the complete report is intended to be ready by end of July/beginning of June

**AOB**

- Rainy season is approaching, there is need to preposition.
- Agencies confirmed that they did not have issues with radios, data or voice connectivity.

The next meeting will be held on Thursday 4th June 2020 at 10:00.
